My dear Professor,

I have been
delighted with your kind note and
wished to write - except my grate-
ful thanks. I have accepted your
offer - a visit to the Smithsonian
Museum is not.

Mr. Leo Lesquereux kindly agreed to
let me have one of the three remaining
copies of the 2nd Ed. of the "Moose Moose
Americana in Spinnaker's collection" by
means of which we such literature
upon the subject as may be in
my library shall be sent home if
I am able to get along for a time.

Yours very gratefully
J. P. Barber.
